

**Next Meeting At Travis's House @ October 9th 2 - 6 PM  
( 1882 Echo Park Ave, Los Angeles, CA 90026)**

Prost! Come join as we celebrate Octoberfest in Travis's big back yard. There is going to be a potluck and I am going to make some queso and maybe some pretzels if I am not too lazy about it. Feel free to bring whatever you want to share.

### **YEAST ROULLETTE**

I have a bunch of leftover yeast from the homebrew store and it is going to go bad so we need to use it NOW. The rules are simple, you reach into the bag, you grab a yeast and you have to make a beer with it. Sounds fun?

We got some Wyeast 1335 (British Ale II), 1968 ( ESB), 1275 (Thames Valley), 1099 (Whit Bread), 3638 Barvarian Wheat and White Labs 570 (Golden Strong), 550 (Belgian) 320 (US Wheat) 095 (Burlington) 005 (British) & more!

### **CHRISTMAS PARTY KEGS**

December 11th is our holiday party. We are thinking of dusting off the tap system to make sure everything works, which means we have 16 taps to fill.

Let me know if you want to bring a keg to the party email me at [galvint2@gmail.com](mailto:galvint2@gmail.com) if you want a spot on the keg list.

## 2021 Monthly Styles

Each month has a dedicated beer style where we go over the history, ingredients, judging and tips and tricks in brewing and tasting the style of the month. Certain months are also club competitions, where those that brew the style can have their beer judged and awarded points for Brewer Of The Year.

## Style Of The Month

### What The Bock?

Bock is a bottom fermenting lager and typically spends extra time in cold storage during the winter months to smooth the intense flavors that develop during the brewing process. Bavarian monks brewed and enjoyed this strong beer as a symbol of better times to come, often during Lenten fasts which coincided with the departure from winter. A beer meant for special occasions, Bock has been a part of German celebrations for longer than America has been a country.

## **November Meeting (11/13) @ Paperback Brewery**

Wow, our second brewery in a year. We spoil you guys so much!

This is also our last club competition for Trappist Ales.
